

Are you longing for a way to promote pro-European politics? Join us in promoting a higher voter turnout, especially amongst first-time voters and people who believe their votes are useless with one or more #Proposals4Europe.

How does it work? Cut out the square and fold it into a ring. Follow the instructions here: <http://bit.ly/2Xlkclv>

Bring along your #Proposals4Europe along with the paper ring. Kneel down in front of a person of your choice, and ask: **"Will you come vote with me?"** Use the ring as a conversation starter and talk to people about the ring, and the kind of Europe you want to live in.

Make a video, take a photo and share it with us and your friends on social media. Use the hashtag #Proposals4Europe to join us. [www.proposals4europe.eu](http://www.proposals4europe.eu)

If you don't want to fold a paper ring, come up with alternative concepts instead and share your ideas with us.

Whatever your way of promoting is, we are more than happy for you to join us and spread the words of #Proposals4Europe.

Identify individual keywords in your native language and blend them together in your own design. We look forward to seeing your ideas.
